How to Solve Share-A-Letter Puzzles

Fill in the diagram with answers to the clues. Letters to be filled into the larger areas will be shared by more than one word. All answers read across only. The number of answer words in a row is indicated by the number of clues. If you can't get an answer, solve the words above and below to discover more letters in the word. We have entered three letters to help you begin.

Caution: The solution is included at the bottom of the page.
