

FIGGERIT

Your finished Figgerit will yield a little truism written onto the SOLUTION dashes. First, fill in as many answers to the DEFINITIONS as you can. Then, transfer their letters onto both the SOLUTION dashes and other WORDS dashes with identical numbers, since in each Figgerit, a letter is allowed to have more than one number. For example, the numbers 6 and 9 might both stand for "r."

The solution and the word list are on the next page.
