

FILL-IN PUZZLE

The words to go into the diagram are listed in alphabetical order according to the number of letters in each word. The Across words and the Down words are mixed together in the word list. To solve this puzzle, place all of the words into the diagram crossword style. Each word will be used only once, so it's a good idea to cross off each one as you use it. One word has been entered to help you get started.

Solution is on the next page.
