## How to Solve Match-Up

It's fun to find the perfect match with Match-Up puzzles! Carefully study the pictures shown on the page. Though all might look alike at first glance, only two are identical; the others have subtle differences. Eliminate the pictures that do not match by determining these differences until the two that remain are the perfect match!

**Caution: The solution is included at the bottom of the page.**

### MATCH-UP SOLUTION

2 and 7 match. (Differences: 1. Left waistline raised, 3. Right hood changed, 4. Tunics touch in middle, 5. Extra point on left hood, 6. Bangs showing, 8. Two black tights on right, 9. Hand behind back on left.)
