How to Solve Patchwords

It's a crazy quilt and a Word Seek combined! To solve a Patchwords, find each of the words in the list in a continuous line in an irregularly-shaped patch in the diagram. Move from letter to letter vertically or horizontally, but not diagonally. Each letter in the diagram will be used once; the patches do not overlap. We have located one word in the puzzle to start you off.

Caution: The solution is included at the bottom of the page.
