Answer to puzzle 2643

58-Across: In the United States, the Big Four banks—JPMorgan Chase, Bank of America, Wells Fargo, and CITIgroup—hold 50% of all U.S. banking assets. 96-Down: The Japanese expression *OMAKASE*, which translates to “I leave it up to you,” is used by a sushi restaurant patron who, instead of ordering from the menu, relies on the chef to select and serve seasonal or local specialties. *Omakase* comes from the Japanese word *makaseru*, which means “to entrust.”
