

# OLYMPIC DANCERS

The Olympic podium wasn't the only place to spot gold medalists Suni Lee, Shawn Johnson, and Natalie Coughlin. They also were seen on the dance floor, competing for the Mirrorball Trophy on TV's "Dancing With the Stars" (DWTS)! They're in good company in this list of other Olympians who've tripped the light fantastic as contestants on DWTS.

## How to Solve Word Seeks

The words in the list are hidden in the diagram of letters. Find them by reading forward, backward, up, down, and diagonally. Do not skip over any letters. Some of the letters in the diagram are used in more than one word; some are not used in any words.

When you find a word in the diagram, circle it and put a check in the small square next to the word in the word list.

Only words in CAPITAL LETTERS in the word list are hidden in the diagram. Words in parentheses and those not in all CAPITAL LETTERS are not in the diagram—they are there for descriptive purposes only. If two forms of the same word (JOY and JOYFUL, for example) are in the word list, they will be found in different places in the diagram.

**Caution: The solution is included at bottom of page.**
